**CRAFTING COMFORT
DELIVERING EXCELLENCE**

OUR LEGACY & JOURNEY

Established in 2018 as a partnership firm under the name India Sales Corporation, the ISC Group began with a focused vision:

To build a reliable, innovative, and cost-effective piping solution brand that addresses the core needs of India's infrastructure, agriculture, and construction sectors.

With growing demand and our commitment to expansion, we incorporated ISC India Sales Pvt. Ltd. in 2023 to penetrate markets outside Delhi NCR and cater to a nationwide demand.

Our core identity—ISC—has quickly grown into a name trusted by thousands of dealers, plumbers, and builders, who now view us as a strong competitor to top brands.

OUR MISSION

To continuously invest in innovation and product development.

To consistently enhance our systems and processes.

To foster an empowering environment that supports the professional growth of our employees.

To leverage the latest technologies to ensure our products remain our strength.

To always deliver world-class quality at competitive prices, ensuring maximum customer satisfaction.

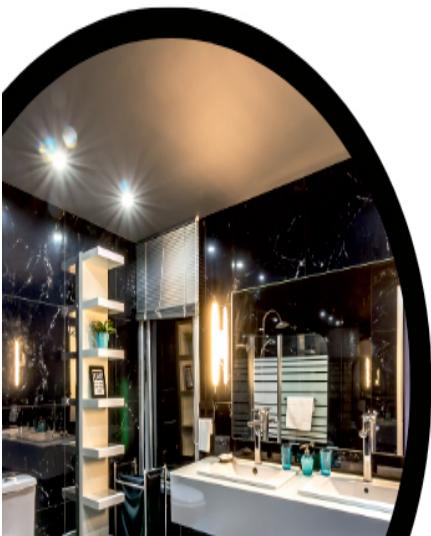

VISION FOR THE FUTURE

To become India's most trusted brand in bath fittings & accessories solutions, delivering world-class products at affordable rates, and nurturing long-term relationships with every stakeholder.

SHOWER

"Crafted with precision and premium materials, our showers deliver superior performance, long-lasting durability, and a flawless finish. Designed to resist rust, stains, and wear, they ensure a refreshing experience every time while maintaining their elegance for years."

"A good shower refreshes your body, relaxes your mind, and energizes your day. It improves blood circulation, washes away dirt and stress, and leaves you feeling fresh and active. With the right shower, every bath becomes a spa-like experience at home."

CONNECTION PIPE KEY

This PTMT connection pipe with key handle is made from high-quality material, ensuring it is completely rust-proof and highly durable. Its leak-proof design prevents water wastage, and the easy installation makes it ideal for kitchens, bathrooms, geysers, and washing machines. The sturdy key handle adds convenience, allowing smooth control of water flow. With long-lasting performance and minimal maintenance, it is a smart choice for any water connection need.
